Introduction

Merry Poppets Introduction

Do you remember your first day at nursery? Were you tearful, emotional, not wanting to let go of your parents/carers or did you jump straight in excited at the new surroundings without a backwards glance? In truth, whether baby or toddler, we are all different and however we reacted most of us can remember this event. That's why at Merry Poppets we make this transition as simple and as natural as possible for both the child and the parents/carers.

Today there are many child care options for parents/carers, the recent appearance of numerous franchised day care nurseries, nanny's and child minders can often complicate what is already a difficult and emotional process. Merry Poppets is not a franchise nursery, but owner managed by one individual who has the pedigree and understanding of the early years educational system. Working for many years with the local lower schools to ensure a child's individual needs are supported prior to enrolment, during and after they have graduated from Merry Poppets!

Senior Personnel & Staff

Mrs. Jane Laycock

Before starting Merry Poppets Nursery in 2006, I worked for many years in a small local lower school with ages ranging from 3 to 9 years, this is where my passion for working with children started. Before having children of my own I had experience of working in nursery settings, playgroups and crèches. During this time I gained a valuable insight into the early stages of child development and the benefits of encouraging children to become independent learners. I continue to work closely with local lower schools and the Central Bedfordshire Children Services team to ensure every child who passes through Merry Poppets is fully prepared for full-time education.

I have a huge amount of understanding in Early Years education and the safeguarding of children and I have undertaken further education courses to better my knowledge.

I have raised two daughters that I am immensely proud of. My eldest daughter is a Junior Doctor and the youngest is a fully qualified Paediatric Nurse who has spent many years working in NHS and private child care hospitals. She now supports me as part of the Merry Poppets senior team whilst continuing part-time as a Paediatric Nurse. I have always taken an active part in their education by sitting on committees for both playgroup and school. I have been on the board of Governors for their lower school as well as PTA Chairperson and PTA member for their local Middle school. I have also assisted with their sports and outdoor activities, such as athletics, netball, and rounder's clubs.

I have also taken classes of children on three-day residential trips having co-ordinated the excursion. This involved parent liaison, venue planning/coordination, scheduling and risk assessment duties. I have a great deal of experience with outside agencies for those children with special needs liaising with **Central Bedfordshire Children Services team, Child Protection, Emotional Behavioural Disorder** and **speech therapy advisors**.

In my previous employment within the Lower School involved planning and organising the daily running of classes, assisting individual child's and whole class learning, always ensuring intentions are understood and shared with the children. I have worked with class Teachers to develop and revise planning and evaluation pro formas.

Working in any lower school requires adaptability and teamwork. I have undertaken various tasks when staff have been ill this included: – teaching whole classes and cooking for the school, covering lunchtime supervising and maintaining good hygiene standards.

As Senior Higher Level Teaching Assistant I worked with other members of staff throughout all age phases, working with individual groups, whole classes/groups and training new members of staff. I championed a new Special Needs programme that ensures continuity of information (as highlighted in an **OFSTED** inspection for this school) helping new members of staff reliably assess a child's needs.

I regularly liaise with Central Bedfordshire Children's Services at Priory House Chicksands, therefore if you would like any independent advice or information about Merry Poppets you can obtain it from this department. On 0300 3008000.

At Merry Poppets we set ourselves high standards, we are committed to continually improving the day care support we provide our parents and their children. Many of our senior personnel have been with us for several years, this has allowed us to develop a dedicated Merry Poppets team of qualified and experienced nursery nurses who promote a secure, warm, friendly and caring atmosphere - **designed to encourage happy and confident children!**

The Nursery Practitioners we employ are qualified in child care and many Nursery Practitioners have chosen to further their child care knowledge through additional National Vocational Qualifications and child care courses. We actively support and encourage training to build on their progress and extend their knowledge in the Early Years Foundation Curriculum.

We liaise closely with Central Bedfordshire Children Services Team at Priory House, Chicksands. If you would like an independent perspective of Merry Poppets or further advice about Child Care in central Bedfordshire please contact this department directly at Central Bedfordshire Council on 0300 300 8000.

Keeping Your Child Safe

At Merry Poppets our top priority is the safety and welfare of our children. This has always been our number one priority. We comply with all Ofsted requirements on keeping children safe that include:

Security

- We ensure there are always secure perimeters around the nursery
- The entrance is controlled with either a security buzzer system or locked gate/door entry
- Anyone collecting a child has to be pre-approved or have a pre-agreed password
- Children are never left unsupervised

Checking the Premises and Equipment

- Daily nursery opening and closing checklists for indoors and outdoors
- Annual PAT testing and servicing of all appliances at nursery
- Regular maintenance is always promptly completed by the nursery
- Continual investment in the maintenance of our nursery premises

Safeguarding

We have a moral duty of care to ensure any incidents or concerns of suspected abuse or harm are reported without delay as per the safeguarding policy.

Staff

We hold regular staff meetings where we frequently review policies, procedures and the Early Years Foundation Stage (EYFS) and Merry Poppets curriculum. We ask staff to review different aspects of their job and test their knowledge through personal appraisals and questionnaires. We sponsor all our staff through a paediatric first aid qualification and support those individuals who wish to develop and specialize in any aspect of child care safety. We follow Ofsted's requirement for enhanced CRB/DBS checks on all our staff including the nursery cook(s) and administration staff. References are always stringently checked so we are confident of their integrity.

We always ensure the following ratios of staff to children in each room:

- Children under two years of age 1:3
- Children from two-three years of age 1:4
- Children three+ years of age 1:8

Our Nursery Practitioners can easily be identified, all wear named badges and their position is denoted by the colour of their uniform.

- Black polo shirts - Deputies
- White polo shirts - Early Years Teachers
- Navy blue polo shirts - Room Leaders
- Sky blue polo shirts - Nursery Practitioners
- Orange polo shirts - part-time or holiday cover.

Suitable Premises and Equipment

Whether indoors or outside in the playground our nurseries are arranged so children are always in an environment set up for their age, ability and stage in their development. Premises risk assessed to ensure that it is fit for purpose. Constant daily checks are in place, any faults are always quickly repaired. Regular maintenance is carried out. Annual checks by external professional bodies and authorities are carried out with recommendations acted upon promptly.

Keeping Children Active and Healthy

We promote active lifestyles. All our settings have large play areas where every day, weather permitting, we spend lots of time outdoors with the children engaging in physical exercises and games.

Our Poppets Pantry

Healthy Diet for Our Poppets – Dedicated Nursery Kitchens

Merry Poppets meals are freshly prepared to promote a healthy balanced diet with all the nutritional requirements for young children, over the course of the day our children get at least five portions of fruit and vegetables. All meals are freshly prepared at the Merry Poppets kitchen by our own Professional Cooks. Our Cooks recipes are carefully selected to provide a varied and appetizing menu, this is based on a Government healthy eating guidelines which ensures that over the course of the day our children get at least 5 portions of fruit and vegetables. The children get into the habit of eating unprocessed fruit and vegetables everyday by having snack foods like carrot sticks with dips or washed and cut up fruit such as apples in their skins. For special diets we ensure substitutes are also highly nutritious and we have a mixture of meat, fish and vegetarian dishes on our menu every week. We purchase most of our food from reliable local farmers, by using a local supply chain it allows us to check the nutritional quality and suitability of the ingredients we use, as well as supporting a local business. However, when required, we do use a national supermarket chain.

A Tasty Varied Diet

We understand young palates. Young children are more receptive to different flavours than some of us expect and we offer a varied menu with dishes from all over the world, a wide variety of meat, fish, vegetables, and pulses. We have a strict policy NOT to serve any “fatty junk food” such as chips. We do not use additives in our food and we don't give the children sweets or chocolate. However, we do make our own tasty and healthy fruit cakes and some homemade puddings so the children get to enjoy these treats.

Allergies and Special Diets

The cook as well as our Nursery Practitioners are trained in Merry Poppets meal time practise that ensures children are not served foods they are allergic to or that their parents do not want them to eat. We have a very robust check system in place that is followed from kitchen to the table which safeguards this procedure.

What our Parents say about Poppets

Merry Poppets Flitwick

Staff are very professional and clearly care very much of the children which parents need to see

I would particularly give thanks to staff in the baby room who are very loving and nurturing with the very young children in their care

The new books that have been created to chart each child's time at nursery are a great idea.

Nothing negative to say! staff are always friendly and always keep me up to date on what's going on and my babies are always happy when I collect them

Handovers at pick up are very informative

"thank you for taking such good care of Poppy over the last 3 years. I know she has enjoyed her time at nursery and will miss Poppets lots!"

"thank you for the care and attention you provide for Eleanor and Charlotte. Eleanor continues to grow and learn. It is hard to picture as the smallest 3 years ago, and now the biggest! Charlottes first year has been happy and full of fun. To leave our girls with Poppets in such good hands means everything!"

Merry Poppets Henlow

Sadly, we are soon due to move away from Henlow, as my husband is serving Royal Air Force and he has been posted on promotion... Both 'J' and 'H' settled so well into the nursery when we arrived here, and 'J' has loved to continue with you for well over a year. It is sad to be leaving. I would like to take this opportunity to thank the staff from the baby room where 'J' began, to Hoppers and pre-school where 'H' started. It is an unnerving time moving children around and especially in between child care providers but our time here has filled us with lots of confidence for 'J' settling into a new setting comfortably. Please pass on our thanks and best regards to your staff, especially all of those that have worked directly with both of our children. I would like to specifically mention, S, J, J & L, who have all always helped us and filled us with such confidence. They have remained professional yet approachable and we have always found they are brilliant with our children even when they are no longer in their care/room. Through them, we have felt our children have been truly cared for with a good heart. As a Parent, of course, this is our key priority.

Our Kindest Regards & Best Wishes to you all.

Our daughter cry's if it's not a nursery day

"I just would like to take this opportunity to thank all the staff in the last year of 'M' coming to Henlow, she's loved every minute of her time there, and progressed in leaps and bounds. She will certainly miss coming and seeing you all. Your staff are lovely and always happy to help, I can't recommend you all enough. It's been a fantastic year for 'M' at your nursery and on behalf of her and my family I'd like to say thank you so much for everything you have done".

The setting is lovely and the staff are always happy to help

A wonderful Nursery and Pre School

I only have positive things to say about my experience of Merry Poppets

What our Parents say about Poppets

Merry Poppets Westoning

Communication is excellent, the staff in my experience are wonderful and I have nothing but praise for them. Our daughter talks about her peers and the staff and how much fun they have had together, which is exactly what we would wish for.

Very grateful for the support given whilst potty training

Our daughter thoroughly enjoys her time at nursery. I am very pleased with the level of care she receives whilst at the setting. She is safe, cared for and the staff are welcoming and affectionate to her.

Very happy with the centre and it shows in the children

We think you all do a Fab job

Merry Poppets Ampthill

The staff at Merry Poppets Ampthill are the loveliest people and the standard of care is first class. They are happy, attentive and creative and really make the effort to get to know your child. My daughter is so happy there! She has been with Merry Poppets since she was 8 months old and I always felt happy she was in safe hands from day one. I will be very sad the day she leaves

Merry Poppets is a fantastic nursery and I would recommend them to anyone

Excellent nursery who take great care of the children, and provide fun and educational activities for the children's learning. Always keep parents up to date with what they've been doing each day. Very happy children who have loved being there. Couldn't ask for a better nursery.

I cannot praise the staff at Merry Poppets Ampthill enough, my son started when they first opened aged 2 years. All the staff have a welcoming smile and are confident, they having a caring approach to each child to accommodate their needs. I am informed daily of my sons daytime activities and what he has done and what he has eaten. I received a report which was clear and concise on my son's progress whilst he has been there. I have never had a time when I have needed to question the Merry Poppets day to day running. I go to work happy knowing my son is being cared for.

Just a quick note to say that B had a lovely time at her settling in session- I dropped her again for 2 hours this morning to complete the session and was blown away- all the staff knew her name, they were all friendly and chatty (even the ones from older children's rooms.) I am so pleased we chose Merry Poppets to send our daughter to. Have a wonderful Christmas and I can't wait for B to start in the New Year!
